Tom has a toothache. His tooth hurts very much.

"Thank you! Goodbye."

“If you need stronger medicine,  
you will need to get a  
prescription from your dentist  
or doctor.”

He needs to see his dentist, but  
first he needs something for  
the pain.

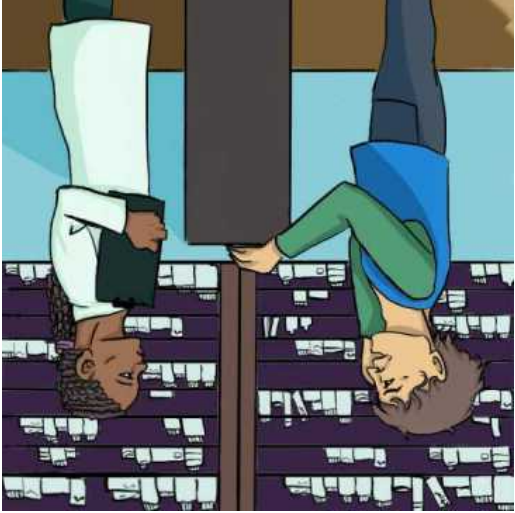

He drives to the nearest pharmacy.

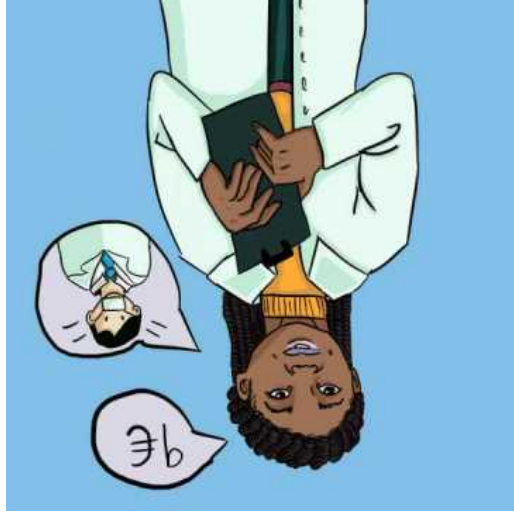

“Okay, I will call my dentist tomorrow morning.”

"I have a toothache," he says.  
"Do you have anything for  
that?"

"They cost nine euros. But you  
should see a dentist."

“Yes, here are some painkillers.  
You don’t need a prescription  
for these.”

“Thank you. How much do they  
cost?”
