Tom has a toothache. His tooth hurts very much.

...

Tom a mal à la dent. Sa dent lui fait très mal.

"Thank you! Goodbye."

...

"Merci ! Au revoir."

He needs to see his dentist, but first he needs something for the pain.

...

Il a besoin de voir son dentiste, mais d'abord, il lui faut quelque chose pour la douleur.

"If you need stronger medicine, you will need to get a prescription from your dentist or doctor."

...

"Si vous avez besoin d'un médicament plus fort, vous aurez besoin d'une ordonnance de votre dentiste ou médecin."

He drives to the nearest pharmacy.

...

Il va à la pharmacie la plus proche.

“Okay, I will call my dentist tomorrow morning.”

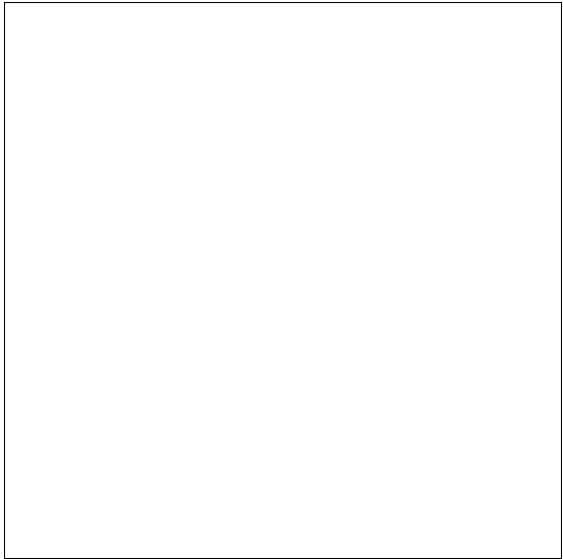

...

“D'accord, j'appellerai mon dentiste demain matin.”

"J'ai mal à la dent," dit-il. "Avez-vous quelque chose pour cela ?"

...

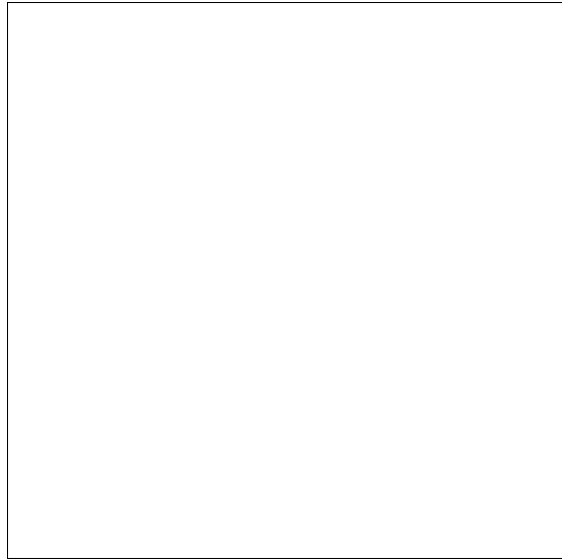

"I have a toothache," he says. "Do you have anything for that?"

"Ils coûtent neuf euros. Mais vous devriez voir un dentiste."

...

"They cost nine euros. But you should see a dentist."

“Yes, here are some painkillers. You don’t need a prescription for these.”

...

“Oui, voici des anti-douleurs. Vous n’avez pas besoin d’ordonnance pour ceux-ci.”

“Thank you. How much do they cost?”

...

“Merci. Combien coûtent-ils ?”
