Toma bardzo boli ząb.

...

Tom has a toothache. His tooth hurts very much.

“Dziękuję! Do widzenia.”

...

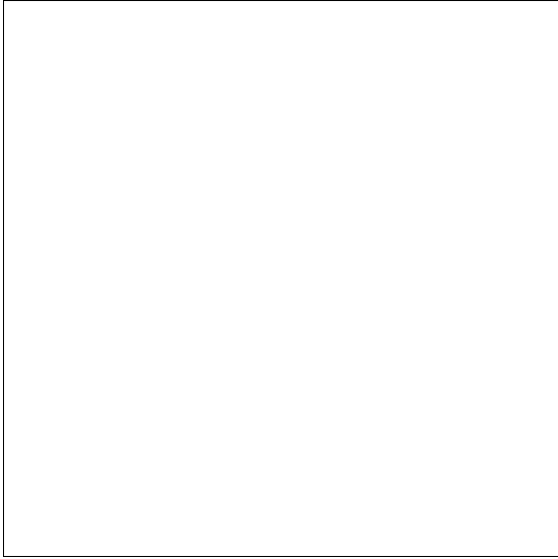

“Thank you! Goodbye.”

Musi udać się do dentystry, ale najpierw  
potrzebuje czegoś przeciwbólowego.

...

He needs to see his dentist, but first he  
needs something for the pain.

„Jeśli potrzebuje pan silniejszego leku,  
musi pan otrzymać receptę od dentystry  
lub lekarza.”

...

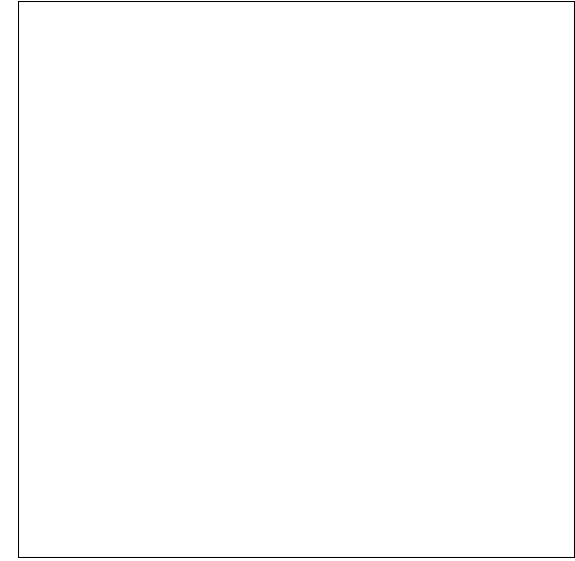

“If you need stronger medicine, you will  
need to get a prescription from your  
dentist or doctor.”

Jedzie do najbliższej apteki.

...

He drives to the nearest pharmacy.

“Dobrze, zadzwonię do mojego dentysty jutro rano.”

...

“Okay, I will call my dentist tomorrow morning.”

"Boli mnie ząb." - mówi. "Czy ma pani coś na to?"

...

"I have a toothache," he says. "Do you have anything for that?"

"Dziwięć euro, ale powinien pan umówić się na wizytę do dentysty."

...

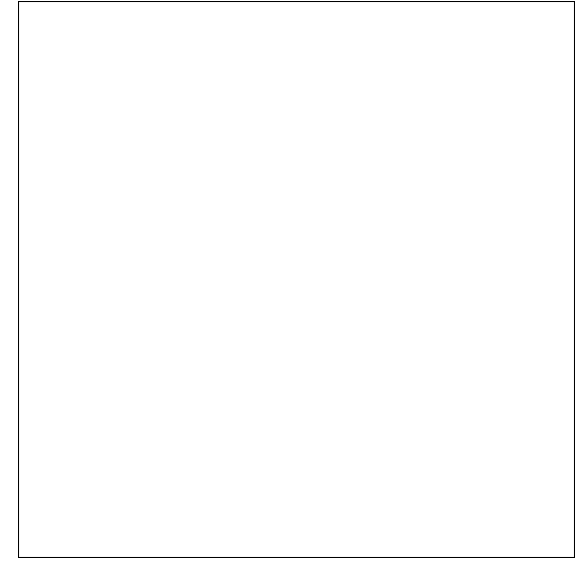

"They cost nine euros. But you should see a dentist."

“Tak, środki przeciwbólne. Nie potrzebuje pan na nie recepty.”

...

“Yes, here are some painkillers. You don't need a prescription for these.”

“Dziękuję. Ile kosztują?”

...

“Thank you. How much do they cost?”
