Tulima waxay jeceshahay
muusigada. Maalin walba way
dhegaysataa.

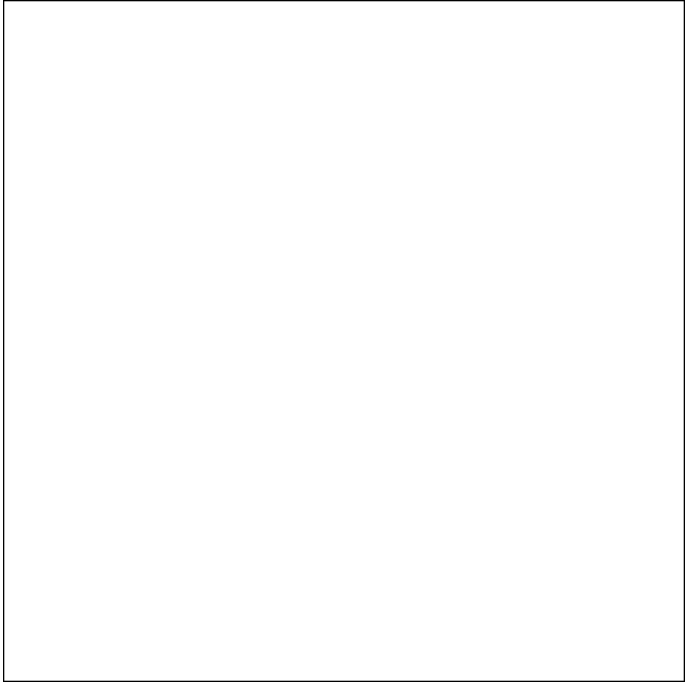

Saaxiibadeed Carlos iyo Anita
sidoo kale waxay ka helaan
muusigga.

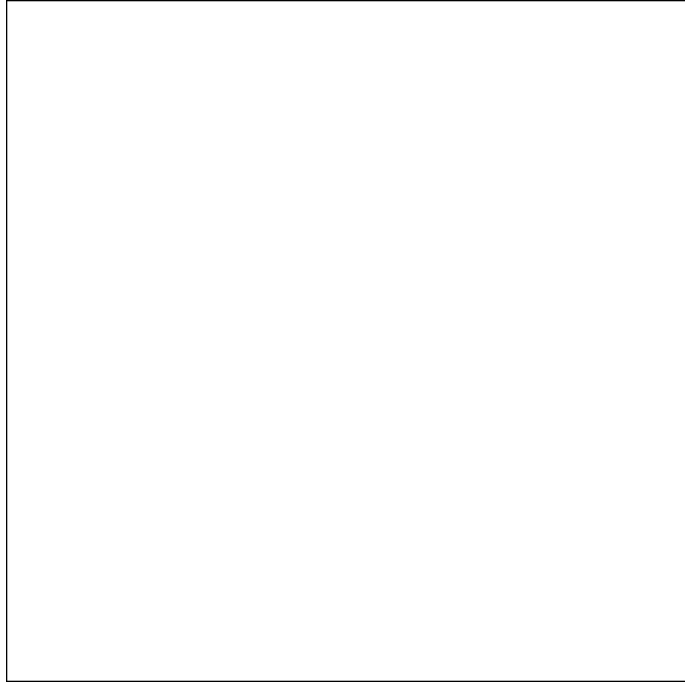

“Tulima, muusig noocce ah ayaad ka heshaa?” ayuu Carlos weydiiyey.

“Waan ka helaa muusigga reer
galbeedka, laakiin waxaan ka
door bidaa muusigada
dalkayga Itoobiya.”

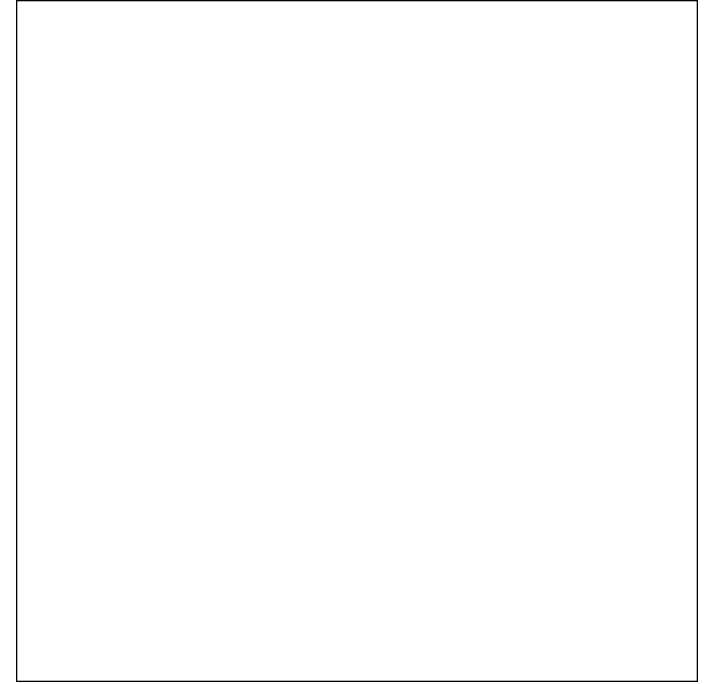

Muusiga nooc ee ah ayaad ka
heshaa?

“Waxaan ka imid Kolombiya, kaliya waxaan dhagaystaa salsa. Waxay ku wanaagsan tahay dheesha,” ayuu yidhi Carlos.

Anita ayaa tiri, “Waxaan ka helaa heesaha jaceylka ah iyo muusigyada iga farxiya.”
