Jina langu ni Malik na nina umri wa miaka 39. Nilizaliwa huko Afghanistan. Dini yangu ni tofauti na dini kuu ya Afghanistan.

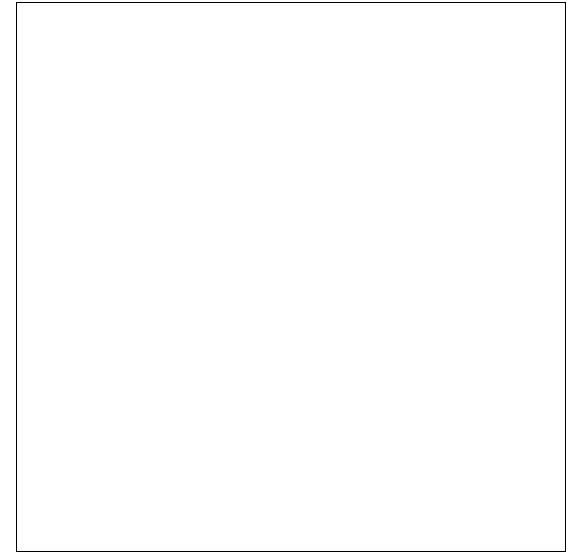

Kwa miaka mingi, watu wa dini yangu
wamekuwa wakiteswa. Hii imekuwa ni
changamoto kubwa sana kwa familia
yangu.

Ninatumaini kuwa siku moja nitarejea
Afghanistan. Watu wengi huko wanahitaji
msada na ninataka kuwasaidia.

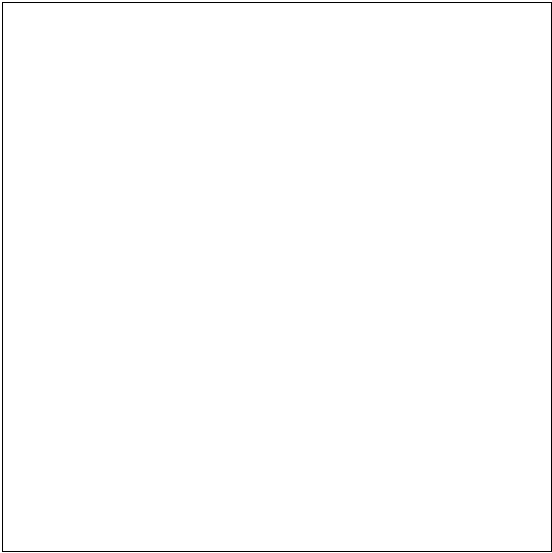

Miaka michache iliyopita kulikuwa na vita. Nilikuwa na hofu kwamba ningeuwawa. Niliacha familia yangu na kwenda Ulaya na kuanza maisha mapya.

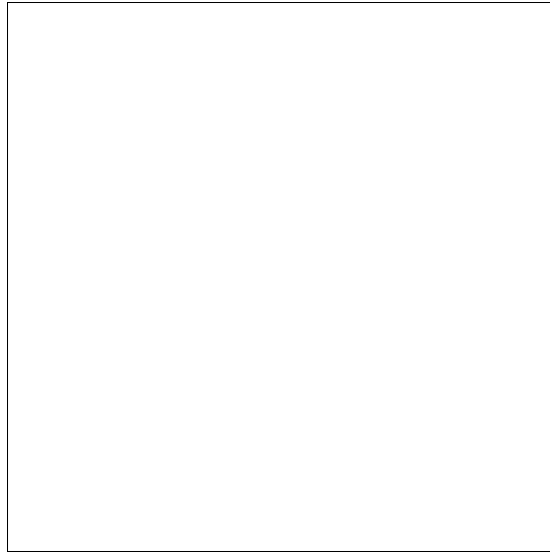

Baada ya kujifunza, nikaanza kufanya kazi. Kwanza nilifanya kazi katika mgahawa, na kisha nikawa mwalimu kwa sababu ninataka kusaidia wengine.

Nilitembea kwa kilomita nyingi na wakati
mwingine sikuwa na chakula wala sehemu
ya kuka. Baadhi ya watu niliosafiri nao
walifariki.

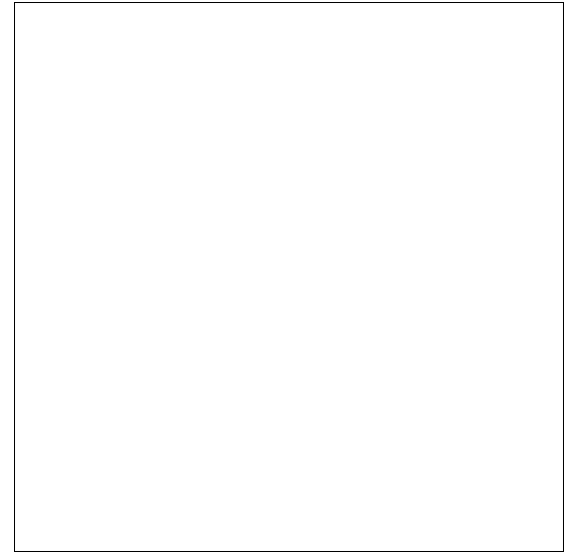

Nilijifunza kwa miaka kadhaa, cha kwanza
kabisa ni kujifunza lugha. Ilikuwa ngumu,
lakini ninafurahi kujifunza mambo mapya.

Hatimaye nilifika Ulaya. Nilikutana na watu kutoka kwenye nchi yangu ambao walinisaidia. Sifahamu ningelifanya nini bila wao.

Nilianza kujifunza lugha, lakini ilikuwa ngumu. Nilijua kwamba kuongea lugha hiyo ilikuwa muhimu katika kupata kazi.
