“Una familia yoyote?”

“Ndiyo, mimi na mume wangu tuna mabinti wawili na mtoto wa kiume.”

“Mimi pia nina mabinti wawili lakini nimeachika.”

“Mabinti zako wana umri gani?”

“Mina ana miaka minne. Anasoma darasa la awali. Miriam ana miaka kumi, kwa hiyo, anasoma shule ya msingi.”

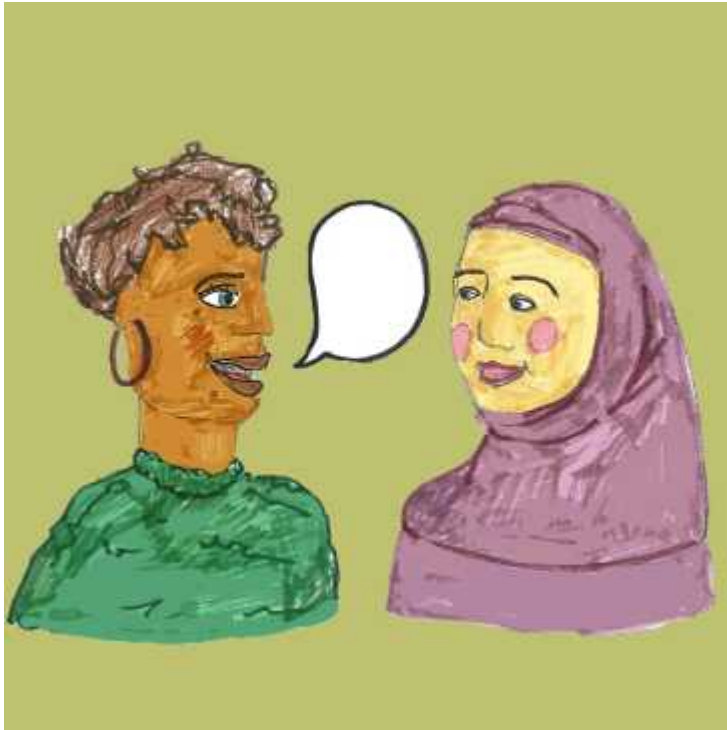

“Watoto wangu wote wanasoma. Mtoto wangu wa kiume atahitimu mwakani.”

“Vizuri sana! Wanakua haraka. Anataka kufanya nini baada ya hapo?”

“Anataka apate kazi lakini badala yake ninamshauri aende chuo kikuu.”

“Ni wazo zuri. Ninatumaini pia siku moja wanangu wataenda chuo kikuu.”
